

FlowExchange LICENSE
Version 2
Copyright (C) 2023, Jasper van Baten / AmsterCHEM

This software is free of charge for home, academic and commercial use.

You may reproduce and distribute copies of this software in any medium, with or without modifications, and in source or binary form, provided that you meet the following conditions:

1. you must give any other recipients of the software or software derived of this software a copy of this license; and
2. any modified files must carry prominent notices stating that you changed the files; and
3. you must retain with this software or software derived of this software it copyright notice
4. The XFlowSaver unit operation's CLSID (F00AFC4F-477F-4F65-A837-312EE3492187) and PROGID (FlowExchange.XflowSaver) and the XFlowLoader unit operation's CLSID (A64B7DE8-6398-42F6-9F6C-49E832D2F625) and PROGID (FlowExchange.XFlowLoader) are modified for any software that derives from this software (in other words: the before-mentioned CLSIDs and PROGIDs should only be used in unmodified copies of the software)

You may add your own copyright statement to your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of the modifications, or for any software derived from this software as a whole, provided your use, reproduction, and distribution of the software otherwise complies with the conditions stated in this License.

You are not required to accept this License, since you have not signed it. However, nothing else grants you permission to modify or distribute the Program or its derivative works. These actions are prohibited by law if you do not accept this License. Therefore, by distributing the Program and its components, you indicate your acceptance of this License to do so, and all its terms and conditions for copying or distributing the Program and its components.

For any use of this Program not covered by this license agreement, please contact
